A LITTLE TALK

From the

Publishing Agents

THE MINUTES of your Conference are always impor tant, being, as they are, the continuous history of you Conference life and work. These Minutes represent th crystallizing of the activities of your Conference for on year. These activities are built around certain princ ples, one of which is loyalty to your denominationa life and work.

The Methodist machine, by which Methodist wor is done, is in many respects the most remarkable thin of its kind in the world. One of its greatest arms power is the Methodist Book Concern. It lives to serve the Churc It publishes the best books, and the widest variety of books for a the different classes which make up your home. There is no equ to this Publishing House in this country. It has a system weekly Advocates covering the country. One of them serves you particular part of the country. It is the best medium of commun cation between you and the Church at large; it has the most inspi ing news of the Kingdom, and the best methods are outlined for th bringing of the Kingdom. You ought to have the Advocate in you home. The cost is nothing compared with its value. The Boo Concern publishes the finest, completest, strongest system of Sun day-school literature to be found in the world, and it is constantly being improved. The Publishing Agents will be glad to send sam ples liberally to any school inquiring; samples of Advocates with out cost, either to preachers or laymen; catalogues of books an other publications always free.

There is another reason: the profits from these sales do not into any man's private purse, they are gladly turned over each ye to the deserving veterans of the Church. In twenty-five years the payments to needy superannuates and other claimants have amounte to millions of dollars. It is the most splendid thought to-day in th business world—crystallizing the annual profits into comforts f the deserving.

Consider first your duty, then consider your opportunity, an then consider your privilege, and try and get some comfort out patronizing the Book Concern for this coming year because yo shall give it more patronage. Always write to and order from you nearest Depository.

Respectfully,

Jennings & Graham

*Facts for the first nine sessions are gleaned from the General Minutes and from the Conference Journal for those years, which is now in custody of the North Carolina Conference of the M. E. Church, South.

2* At this date the Conference had 19,459 white members and 3,390 colored. Without consulting the wisdom of the latter, nearly the whole membership became part of a new church, organized in May, 1845, and called the Methodist Episcopal Church, South. Some entered the A. M. E. Church, some the Colored M. E. Church of America; but thousands gladly returned to the bosom of the old Methodist Episcopal Church, as it returned to the State.

3* At this session a new Conference—the Blue Ridge—was formed, with twelve preachers, 2,839 members and probationers, and 41 church edifices.

VI. REPORTS

REPORTS OF DISTRICT SUPERINTENDENTS

GREENSBORO DISTRICT

Dear Bishop and Brethren:—I am permitted here under God, and in your presence to make this my second report of the Greensboro District N. C. Conference for the year 1909-10.

We praise God from the depth of our hearts for the many blessings bestowed, and continued upon us; it is "Through Him we live, and move, and have our being."

Death has not invaded our ranks this year and we are here all of us to praise God for same.

The ministry and laity both have equal rights to be thankful for this year's work; I am thankful to state to you here today that there has been marked improvements this year along almost all lines of church work on this district.

I have not only visited all of the many charges on this great district, but I have been in all of the many churches on this district this conference year and have looked after the work of same.

I am pleased to say here that there seems to be perfect accord on this district with the district management, pastors and people (there are a few exceptions) and the work moves on to victory.

The district has 23 charges with 47 churches; and 6 other places of worship. There are 50 Sunday schools on the district, with 700 officers and teachers and 2750 scholars.

We also have on the district 18 Epworth League chapters. There are not as many chapters on the district as ought to be. It is up to the Superintendents with the Pastors all along the line to see that the wheel goes. If we, as ministers, do not look well to the training of the young we may well know that the opposition will have them in a jiffy.

There is upon this district a membership of 3252; if this number of members was all that it ought to be, indeed we could do a greater and better work than we are now doing for the spread of the gospel in the earth. I am sure that I am striving to the end as far as in me lies, that this membership may do some real work for the Master; and that they may be filled with zeal for this great work in which we are engaged.

I have urged both pastors and people to pay all claims; raising all of the benevolences would be a great sign of spiritual uplift toward God in that we in this case would be looking for the interests of our fellowman.

Children's Day was observed in almost all of the churches with good results, and I see that the sermon on Education has been preached on almost all of the charges.

Epworth League, Sunday School Convention and District Conference was held at Mt. Carmel Methodist Episcopal Church, July 12-17, 1910. The combination of these I think was the very thing, for it brought the young and old together in one body with telling results. The attendance was much greater than last year and I think that great good was done for the cause. There was with us at this gathering many visitors of note: Dr. I. Garland Penn, of Epworth League; and Dr. I. L. Thomas, Field Agent of Home Mission and Church Extension Society; then there was with us the Rev. M. M. Jones, Winston District; H. L. Ashe, Western District; and W. R. Zeigler, of the Wilmington District; also we had with us that grand man the Rev. D. Brooks, who is a man of worth; then Peter J. Cook, of Thomasville and Lexington; and Brother C. H. McDonald also was with us; there was also the Rev. N. D. Shamborguer. We were favored with well prepared speeches from all of these brethren.

Drs. Thomas and Penn seemed to be at their best as they from time to time spoke of their work. I do believe that we know more about the League work and also the H. M. and Church Extension than we did before. God bless these men and may they continue to be a blessing to the people to whom they from time to time may go to to carry the word of the gospel of our common Savior.

EDUCATION

We have in the midst of this district Bennett College; known for the work that has been done in the past of turning out young men and women to take their part in life; indeed Bennett is a great institution.

Bennett speaks for itself. We are thankful for the good results that have been wrought in the past through this institution; it is indeed small, but it is great.

In the person of Dr. S. A. Peeler, we have a worthy man who fills the President's chair, who is worthy of that position.

Then we have a faculty of good people to train our youth to know that life is worth living; and there is something else to live for than just to have a good time eating and dressing. The real educated man is he who has head and hand and heart trained to know, work and to serve.

We pray God's blessings upon this institution. We are asking for friends who will come to the rescue in giving us here the plant that is needed and if so Bennett will take her place with the foremost in the South for the training of our youth.

KENT HOME

Under the superintendency of Mrs. Colburn, has done a very good work, but on the 17th day of December last, that handsome building was reduced to ashes, and the students were left without that building for the remainder of the school year.

We look back to the Woman's Home Mission Society, which society has done so much in the past for us in more ways than I have time to mention. This great society has come to the rescue again and through sacrifice and much toil there stands today a $12000 brick building for the housing and training of our girls. Hats off to the great Woman's Home Missionary Society of the Methodist Episcopal Church! and again, God bless the women!

Dear brethren, I hope that the watchword with us will be "Loyalty". Remember that to be a great people we must possess those same qualities that go to make other people great, hence loyalty to all of the societies of the church and above all loyalty to God.

TEMPERANCE

I am pleased to say that all men can see the great change in the condition of the individuals in this our state since prohibition went into effect a few years ago. The deportment of the public is so much better; the people of our race are getting more money, homes and schools since there is not so much dram drinking practiced among them. On the trains, in the schools and in the churches, as well as the homes it is a strange thing to see a man drunk.

SUMMARY

Empire. M. H. Hinton came to this charge last fall, this being his first year. He has done a very good work on this charge this year, taking all things into consideration. Accessions, 15.

Ramseur. Supplied by Bro. E. L. Gilreath. He has done, I think, a very good work on this charge this year. He has supplied this charge with credit for three years which is a good thing for him to do. There has been some material improvement at Shady Grove. Accessions, 8.

Central Randolph. W. T. Lomax has pastored this people for five years; he has wrought well on this field; it is not all that it should be but the pastor has well done his part. Accessions, 10.

South Greensboro. J. W. Jones has served this people for two years. The work seems to take on new life under the influence of the pastor; there has been more work done on the church at Red Hill, same is now about completed. Accessions, 15.

Oberlin and Raleigh. J. C. Robbins has done very well at this place this year; there has been some money raised for the new church. These people will do something along the line of building soon.

Durham and Henderson. G. D. Dunn has served this place for a good while; the work at Durham is taking on new life. There was a revival at this place not long since with great results; seven were connected to the church from that revival; then at Creedmoor I was surprised to find so many people out to our church there and they seemed to be doing fairly good work. Accessions, 12.

Newport News, Va. Supplied by Bro. C. I. Withrow. He has done a great work at this place; a great revival has been held both in Newport News, and Norfolk with telling results, many souls have been saved at both points and added to the church; then a beautiful lot has been purchased for a new church at Newport News, and a good deal of money paid on same. Accessions, 45.

Pleasant Ridge, Va. J. A. Maston has served this people this year. He has given ample satisfaction. He is a good man and the people know it. He has done a good year's work. Accessions, 14.

Townsville and Bullocks. D. McRae has been on this work only one year. It is not what the work should be, for the pastor's family lives away from the work; besides sickness in the family, all these things go to make the work a failure. Accessions, 5.

Oxford. A. H. Newsome has done a great work at Oxford; marked improvement greets you as you turn to any point in the church; indeed it seems to be a new one. I think that Brother Newsome is at the right place. The people love him and he does not hate them. Relations good; accessions, 20.

Burlington and Graham. J. H. Hunter was sent to this place last year to see what he could do in building up Methodism in this place, but there seems to be nothing doing in Burlington and Graham for the Methodist Episcopal Church.

Reidsville Circuit. E. H. McArthur has, under the circumstances, done a very good work. Soon after the last Conference he was taken down with small pox; was kept away from his work for more than three months; with his charge sending to him but small amount. It seems that he has done well to keep the wolf from the door, and yet it has been done Brother McArthur is here, filled with enthusiasm as of old. God bless this class of men. I fear

that this charge does not appreciate him as it should; indeed I know that it does not, but they know that he is a man true to the very core. Accessions, 14.

Reidsville. J. H. Lovell was sent to this point last fall and I am sure that brother Lovell has wrought well. The people love him and his family and have stood by him. There are some great men and women in Reidsville; would that we had many more men like Brother Lovell in the North Carolina Conference. Accessions, 10.

Wentworth, B. F. Thomas. Brother Thomas came to this work last fall. After coming here he went right down to business in getting his people together in an effort to build a nice new church at Wentworth. I am pleased to say to you that that church is now erected and is going on to completion. Brother Thomas is doing a good work on this charge. Accessions, 22.

Jackson. J. H. Garratt is doing a good work on this field. The Hickory Grove Church has been raised higher and a new cover put on. The Mount Olive Church has been ceiled. The Jackson Church has had an annex attached to it. A good deal to do in one year. Accessions, 16.

Summerfield. M. J. Bullock has been hard at work on his charge all of the year. He believes what the Bible says: "Whatsoever your hands find to do, do it with all thy might." The old harbor at Raleigh's has been replaced with a new one; the work is not what it could be; but there must be a concerted action with both pastor and people to get the results needed on all of the fields; but we are trusting the Lord for better results. Accessions, 25.

Greensboro, St. Matthews. A. S. Cottingham was returned to this work last fall, he came, took hold with a will and has done his best. As you joined us last year in prayer for a revival at this point it came also with telling results to that extent that about 30 souls were converted in the spring meeting and added to the church. Also there has been a goodly sum raised this year and applied to the church debt. Accessions, 36.

Greensboro, West. J. A. Laughlin has served this people for five years and has done a good work. This charge has improved materially and spiritually. He is a good pastor and looks well to the things intrusted to his care; has met the claims of his church and the people love and honor him. Accessions, 22.

Greensboro, High Street and Bass's. D. C. Skeen has served this people for three years. All things considered, I think that Brother Skeen has done as well as any man in the Conference. I know whereof I speak. He has paid this year on old indebtedness more than $200. Accessions, 35.

Greensboro, East. M. C. Laughlin has served this people well. I think that he is the right man in the right place; has two preaching places where there is no church house. I have had the honor this fall of preaching under these two harbors at night to a goodly number of eager people. Accessions, 22.

Danville and Draper. A. S. Green supplies this work. Brother Green deserves special mention here; he has gone to Danville and wrought well there. With three full members and four probationers he has raised for the benevolence this year $13.00. Besides this, this little band of members have on foot a plan to purchase a $600 lot with a house on it for the worship of God. This is a plucky little band indeed. Accessions, 4.

Portsmouth, Va. O. J. Bethea, supply. This work was organized last March with ten grown persons. I have had the pleasure of meeting this new work twice. I think that there can be a great work done in Portsmouth with proper care. Accessions, 5.

Leaksville. R. W. Winchester. This is the last, but by no means the least. We stand here in this beautiful church which was planned and built by Brother A. S. Cottingham and this faithful membership, which is a great credit to all concerned. Then there came to this field two years ago the Rev. R. W. Winchester, who took hold right where Brother Cottingham left off; and the membership co-operating with him with a will determined to conquer. They have raised and paid off every cent of the debt that was on this house of God and today it stands free of debt.

You will see some of the effects of this loyal membership in the City of Leaksville before you leave and I think that you will not regret having come to this place for the Conference. Indeed Leaksville speaks for herself.

I call your special attention to the Quadruple Convention Forward Movement, The Methodist Episcopal Church, Garland Penn, Secretary. I hope that our people will take hold of this movement with a will that will tell in future days, knowing that we must assemble ourselves together and learn one from the other to keep in touch with the thinking world.

God bless this Conference and may it be as it has been in times past, a blessing to all who come in contact with it.

Yours for the spread of the glorious gospel of our Lord and Savior Jesus Christ. S. F. B. PEACE.

WESTERN DISTRICT

Dear Bishop and Brethren:

I find pleasure in being present today to see your faces and to present a report of the labors and accomplishments of the Western District during the past year.

First of all, we thank our Heavenly Father for his care over us during the year, and for the help he has given us in doing the work of the church. I am deeply sensible of His presence with us. We have labored together as Pastor and Superintendent, in carrying forward the work committed to our care.

We have endeavored to discharge all the duties belonging to the office of District Superintendent.

The pastors have been faithful in their respective charges, and labored hard, many of them under adverse circumstances, to bring their charges and the Western District up to the high standard of Methodism.

The District comprises the western part of the State of North Carolina. Many of the charges are circuits, the membership being composed of farmers. It has been a dull year, financially, for this class of folks; because of bad crops last year. This has made it difficult for the Pastors to collect their benevolent money and salary. Notwithstanding all of this the officers and members have been so faithful and the Pastors so heroic that no cause has suffered, and their reports will show an increase in most cases.

The spiritual life of the district has been greatly aroused and quickened. In almost every charge there have been stirring revivals in which many souls, old and young have been brought to Christ. In some of the charges the membership has been almost doubled. It has been my privilege to attend many of the big meetings, and I have rejoiced as I listened to the shouts of the faithful workers over victories achieved.

We are recommending to our people more practical religion, the result of which is bringing about better conditions.

Every charge on the district has an organized Sunday school furnished with our own literature and the interest in the study of the Bible is on the increase.

We have not neglected the Educational interest; but have urged the importance of trained men and women for all lines of work. We see good results. Allen's Home has a larger attendance than ever at this season of the year. Some students have come from the Western District to Bennett College and others still to come.

The Epworth League still lives on the district and is doing good work. The greatest problem with which the church has to deal is the problem of the young folks.

There is no greater agency through which to reach and save our boys and girls than that of the Epworth League..

We have looked after the Southwestern, and have striven to increase its circulation. The pastors have been sending subscribers during the year, and we trust they have brought many here.

A summary of the work:

Asheville, N. C. J. C. Prince, pastor. Brother Prince has had a successful year; increased membership; beautified the church; entertained the District Conference, and increased the benevolent collections.

Gastonia, N. C., under the pastorate of N. J. Pass, has moved on with success. The church repaired, new furniture added, payments kept up on the parsonage, and all the interest well taken care of.

Franklin, N. C. D. A. Williams, pastor. He has done well. Brother Williams has made a good record as a young preacher.

Brother W. B. Scales has been in charge of Forest City and has held things well.

Hickory, N. C. A. G. Jenkins, pastor. The work under his administration has moved on with splendid success. Brother Jenkins is a painstaking pastor and looks after every phase of the church work.

Lenoir, N. C. A. C. Hill, pastor. Brother Hill has succeeded in finishing up the new church and paid the debt.

Lenoir Circuit. A. E. Roberson, pastor. Brother Roberson has worked hard with spiritual and financial success.

Lowesville, N. C. G. F. Hill, pastor. Brother Hill has done well. A new parsonage has been finished and occupied, and all of the interest of the church looked after.

Marion, N. C. J. C. Addie, pastor. This has been a very successful year for that charge. Brother Addie has organized a new church in the suburbs of Marion, erected a new church building, and has a fine Sunday school. He is held in high esteem by the members and friends for the good work he has done.

Jonesville Circuit, under the leadership of Brother P. F. Johnson has had a successful year and everything has gone on lovely and the work done is a credit to the pastor and people.

Old Fort and Glades, N. C. J. J. Blanton, pastor. Brother Blanton has worked hard all the year with splendid success.

Shelby and Lawndale. C. W. Walton, pastor. Both of the churches and the parsonage on this charge have been painted and there are signs of progress.

Sherrill's Ford, N. C. A. W. McMaster, pastor. Brother McMaster has proven himself to be the right man for the place. It has been a good year for the charge, and the people are loud in their praise of Brother McMaster.

West Asheville, N. C. R. J. Shipp, pastor. Brother Shipp has carefully looked after the work and improved the conditions. A new parsonage has been built which adds much to the comfort and convenience of the charge and pastor.

Wilkesboro, N. C. C. R. Moser, pastor. This charge has had a great spiritual awakening, and some temporal improvements made.

Cornelius and Hunters. W. I. Dickson, pastor. The struggles have been hard on this charge to get a support; but Brother Dickson has stuck to his post and brought things to pass. A parsonage has been built on the charge and a new church in process of erection.

Mayhew. H. O. Frederick, pastor. Brother Frederick has been faithful to his duties, and though laboring under adverse circumstances, has brought forth good results. A new building is being erected and other improvements.

Machpelah, N. C. W. M. Chavis, pastor. Brother Chavis has been handicapped on this charge by reason of the money stringency which has been on in that section, as a result of bad crops last year. But he stuck to his post and kept things going.

Newton, N. C. A. B. McQueen, pastor. Brother McQueen is a very successful pastor and has done some of his best work this year. He organized a church in the country and built a new church, cleared off the debt, and finished another. The spiritual work has been in keeping with the temporal.

Statesville and Philadelphia. Brother R. Smith, pastor. With his long experience Brother Smith has worked this charge up very much. The beautiful new church of Statesville which has stood for so many years in an unfinished condition has been completed without debt. Brother Burge, Morrison, and Littlejohn have done good work as supplies.

We have done our best to keep the district in line with the great Methodist Church, which we believe takes first rank in progressive methods for the redemption of the world.

We are in full harmony with all of her plans of development. We most heartily endorse the forward movement started to inspire religious zeal among our folks.

The proposed quadruple convention meets a demand of the age. We feel assured of its success in advance, thought out and launched by the best brain of the race and endorsed by our wise Bishop, it can't be otherwise. We pledge the commission our most earnest support and co-operation in every way that we may share in the great victories that are to come to the participants in this great movement.

H. L. ASHE, District Superintendent.

THE WILMINGTON DISTRICT

Bishop, Brethren and Members of the North Carolina Conference:

It is with gratitude to God, and an appreciative sense of His providence, and also with love for my brethren who have put within my charge so sacred a trust, that I stand before you today to render my first annual report of the Wilmington District.

I was appointed to the district on the 18th day of October, 1909, at High Point, just eleven months and eighteen days ago, by Bishop David H. Moore. I entered upon my duties immediately, trusting in God for guidance and protection. It is with thankfulness and joy that I now say that He has been with me all the way. My health, likewise the health of my family, has been all that could be desired.

I found the district in very good shape, having been presided over by Brother G. W. Morehead for the three years previous, who, working with a progressive and energetic spirit, had effected some recent changes, which though for the better, in some instances had not as yet been seen to be so by those concerned. Customs and habits are difficult to be changed, and he who succeeds often becomes a martyr to the good he accomplishes.

I have enjoyed the confidence and esteem of my brethren, the pastors of the Wilmington District and the hospitality of their homes has been readily offered and as readily enjoyed by their humble servant. Peace and harmony have pervaded every quarterly conference session.

Nothing has occurred to mar the good cheer and pleasure of our meetings.

This district is now 264 miles long and 65 miles broad; to properly superintend it will require the travel of 2632 miles. This territory contains 14160 square miles; it embraces more than 26 counties. There are 19 appointments, 5 stations and 14 circuits with 33 church buildings and seven preaching places without buildings. There are 10 parsonages. Last year the district reported 2629 members and 93 probationers.

We trust the reports of the pastors this year will show considerable increase in membership. I have striven to do my duty as District Superintendent.

I have visited all the charges and have preached in all the churches but one, and have gone over the district four times. I have looked carefully after the deeds and all papers affecting our church property and find that in most cases they conform to the requirements of our Discipline.

Our District contains the cotton growing section of our state

and it is here we find most of our people on the farm. The condition and habits of their home life present a difficult problem with which to deal. Here the pastor and teacher meet many discouraging propositions. To meet this difficult situation and to effect a change for the betterment of society, intellectually, morally and spiritually, we have urged the organization of the Epworth League chapters in all our churches wherever practicable; we have on the district nineteen chapters, some of which are alive. We held a very successful Epworth League and Sunday school Convention at Johns' Station, April 27th, continuing to the 30th; this convention was a source of great inspiration to the young people of our church. Many of the pastors as well as the superintendents and presidents of the Epworth League chapters were present.

Prof. J. R. McCormick is the efficient District President. The next convention will be held at Laurinburg.

We heartily commend any measure looking to the advancement of our people as a race and their uplift morally and spiritually.

We need the broadening of views and lifting of our ideas.

The great idea and movement conceived and being executed by Doctors I. G. Penn, J. W. Bowen, R. E. Jones, C. B. Mason, I. L. Thomas and others should have the unstinted support of our people; their plan is to hold four great conventions at as many central points. This idea has already received the endorsement of our Bishops. The object is to awaken greater interest in the world's missionary movement, better ministerial support and church work generally among our people. Let there be no backward call but let us have as our motto "Upward and Onward".

Our Sunday schools are in good condition, the literature used is from our own Book Concern which we believe to be the best obtainable.

I have urged our Sunday schools to increase the number of books in their libraries that our young people might form the habit of reading wholesome literature, such as is published by our church. I believe it will give proper inspiration to our youth. There have been many conversions in our Sunday school this year. I have lectured to our young people in all of our churches this year. I have urged temperance in all things everywhere and total abstinence from intoxicating drinks.

Some of our schools are organized into temperance societies.

EDUCATION

There is no school for the high education of our youth on our district, but I have not ceased to point our young men and women to Bennett College where the best opportunity is afforded our youths for their preparation for the duties of life.

At several points we have those among us who have taken the advantages offered at Bennett College and Kent Home, and it is evident that the work done at these institutions is satisfactory, for the products compare favorably with products of the best institutions of our land.

We have also some girls on our district who were graduated from our school at Asheville, the Asheville Academy and Allen Home for girls. This school with Miss A. B. Dole at its head is accomplishing great good throughout this and other states of our country; we urge our people to send their children to our school.

SPIRITUALITY

We rejoice in the consciousness of the presence and power of the Holy Ghost attending the efforts of the brethren of the Wilmington District. We have had good revivals on many of the charges; the seed sown has produced some 30, some 60 and some a hundred fold. God is with us. The pastors preach with the old time power and sinners are converted to Christ. Our people shout and sing as of yore; with us it is manifest that the gospel is the power of God unto salvation to everyone that believes.

The reports of the pastors will show increase in membership at many points.

CHURCH BUILDING AND IMPROVEMENT

At this time there is great need of church and parsonage improvements, the growth of the towns and cities and the increase of the rural population demand this. In some instances the selling of our present holdings and the purchasing of more convenient property is advisable.

MINISTERIAL SUPPORT

I have urged adequate support for all our preachers and on many of the charges we have obtained substantial increase in their salaries.

I am distributing literature through the district, furnished free of charge by the commission of laymen, appointed by our last General Conference for the purpose of stimulating greater interest throughout the church in support of the ministry.

We pray that success may attend the effort.

BENEVOLENCE

I have endeavored to create an interest in all the Benevolent enterprises of the church; not only have I urged the observing of Easter and Children's Day, but the intelligent presentation of all the claims of the church so that our people may understand and contribute to their support intelligently.

OUR DISTRICT CONFERENCE

Our District Conference was held at Maxton, July 21st, 24th. All the pastors but one on the district were present; also the local preachers, exhorters and Sunday school superintendents and presidents of the Epworth League were present and others whose duty it was to be present.

We were favored also with the presence of many visitors, among whom were the following: The Rev. M. M. Jones, D. D., District Superintendent of the Winston District; the Rev. H. L. Ashe, of the Western; and the Rev. S. F. B. Peace, of the Greensboro District; also the Rev. S. A. Peeler, D. D., President of Bennett College. These all contributed greatly to the interest and pleasure of the occasion by their words of advice and good cheer. Dr. J. W. E. Bowen, of Gammon Theological Seminary, visited our Conference and greatly cheered the hearts of the brethren, and inspired them to higher ideals and purposes of life. The entire session was a benediction to all.

SUMMARY

Charlotte Station. Our church at Charlotte has gone steadily forward and the debt has been reduced considerably; the membership increased and congregation built up. Rev. R. P. Hairston is the pastor. He has worked hard and has the situation within his grasp; he is one of the popular pastors of the city of Charlotte and stands high in the estimation of the people as a Gospel preacher. He will present a good report to this Conference for he has attended to all the details of the church work. There will be an increase in the benevolent collection at this point.

Concord and Bethel. Rev. A. Clarke, pastor. Brother Clarke has worked hard. The membership on this charge is loyal; we have two church buildings and a church lot at Concord. The report will not show any material improvement. There have been revival meetings held and some benevolent money raised.

Cool Springs and Beaver Dam. J. D. Murphy, pastor. This is one of our strong charges. Brother Murphy has carried things nicely here this year. There have been good revivals at both churches; many conversions and accessions to the membership; all claims paid and a good report for benevolence.

Gibson and Hoffman. We have no churches on this work; we have a church lot at Gibson and one at Hoffman; there are but a few members here. Rev. C. S. Gibson has cared for the work at this point; no improvements. They are planning to buy a church building at Hoffman so that they may have a place for worship.

Goldsboro. Our church at Goldsboro was burned last August a year ago. The membership is not large but faithful. Brother S. J. Hayden is pastor. He has worked hard here. This is his fourth year at Goldsboro. Brother Hayden is a good preacher and manages his work well. Regular services have been held. The Sunday school and Epworth League are kept up.

Hamlet and Philadelphia. Brother J. W. Davis, pastor. He has carried things his way. He is a preacher of great talents. He delights his audience and applies the truth with great power. The work has prospered in his hands. The church at Philadelphia has been nicely painted inside. Many have been converted in the meetings this year. Some were added to the church; his people love him and wish his return. He has taken care of all the interests of the church.

Johns and Piney Grove. This charge is now in good condition. The church at Johns has been nicely painted inside at a cost of ninety dollars. Brother G. W. Byers was appointed to this work, about December the tenth, after an exchange had been effected with Rev. G. W. Morehead, Brother Morehead going to Red Springs where Brother Byers was assigned. This change of pastors has worked well, everything has moved on smoothly. There have been good revivals on this charge resulting in nearly one hundred conversions and many accessions to the membership. Brother Byers is a good preacher and he brings things to pass.

Laurinburg Station. Here we have a good church but too small to accommodate the large congregation that worships there. Brother G. W. Brower, the pastor, has done good work; his report will show advance along many lines. His people are loyal to the church. They have had good revivals and some substantial accessions to the membership. Brother Brower is a good preacher and a sweet singer in Israel. He looks after the interest of the church. There is a bright future for our church at Laurinburg.

Lumberton Charge. Brother W. P. Hayes is pastor. This work is in good condition. How could it be otherwise with Brother Hayes to lead it? The work will prosper in his hands, wherever he goes for he is full of faith. A full report on benevolence and good revivals are the fruits of his labor. We have three churches on this circuit and a nice parsonage. The report for Lumberton charge this year is good. Brother Hayes is loved by his people and they wish his return.

Maxton Station. The church at Maxton, under the leadership of Brother W. M. Wells, has taken a leap forward this year. The church building has been enlarged to twice its former size at a cost of six hundred dollars; four hundred of which has been raised.

Several were converted in the meeting and there have been some additions to the membership. The congregation has been greatly built up. Brother Wells is a preacher of great ability, possessing some of the spirit of his father.

Melrose and Bowmore. This is the strongest circuit on the district. The people are loyal. Brother J. D. Hairston, the pastor, has looked after the work in detail and a good measure of success has attended his efforts. More than one hundred were converted in the revivals and more than fifty joined the church. Improvements, $225. The church at Bowmore is nearly complete, when finished it will be a beautiful church and well suited to the needs of the devoted congregation that worships there: Death visited the pastor's family and took away his oldest son on December 23rd. This was a source of inexpressible grief but we bow our heads and say "The will of the Lord be done." Brother Hairston will make a good report.

Newbern and Kinston. This work was supplied by S. O. Bryan. Nothing has been done this year toward material improvement. A few services have been held in our church at Newbern. We have a lot at Kinston in a fine location on the main street. This work can be built up. We are greatly needed at Kinston and Newbern.

Pembroke and Beauty Spot. Brother M. Mundy has done good work on this charge. The church at Pembroke has been nearly completed beginning with the frame which was blown down. A new church has been built there this year. They have had good revivals this year, all interests of the church have been carefully looked after by the pastor.

Red Springs and Hickory Bend. Brother G. W. Morehead, pastor. Brother Morehead has labored very hard this year on this work. The church at Hickory Bend has been covered and other improvements have been made. The revivals were good. Our people on this charge are loyal.

Sanford Circuit. Brother Lloyd D. McQueen has stood at his post, he has worked faithfully. The church at McQueen's Chapel has been nicely painted and the walls papered. Brother McQueen can be depended upon to do his best. His people love him and wish his return.

Vass and McCrimmon. This work was supplied by Brother Daniel McCollum. On account of sickness in his family Brother McCollum has not been able to do much.

Rowland and Salem. Brother J. M. McNeil has finished another successful year's work on this charge. Brother McNeil never fails to look after every interest of the church. All claims met in full, good revivals and several accessions to the membership are some

of the fruits of his labor. But we must not forget that in the midst of life we are in death. On October 2nd, 1910, at 5:30 a. m., the death angel came to the parsonage at Rowland and called from labor to reward Sister Mary McNeil, the wife of Brother McNeil. We attended her funeral last Monday at Red Springs. Our prayers go up to God for him and the children left behind.

Wilmington Circuit. Brother J. R. McNair, the pastor, has worked hard and accomplished some good. This charge has two churches, with small membership. Regular services have been conducted and the Sunday schools have been kept up. Brother McNair will report some benevolence.

Wilmington. Brother N. S. T. Shamborguer has worked hard at this point this year and has successfully managed the indebtedness on our church property: reducing it considerably. No improvements on church or parsonage this year. Our congregation is small at Wilmington. It is here we need help. We have a fine location but the church building is small and uncomfortable.

I submit for your consideration this my first report of the Wilmington District. I pray that the blessings of God may rest on the Bishop presiding, visiting brethren, sisters and members of the North Carolina Conference and I trust that each session will be a benediction to all concerned.

Respectfully submitted,

W. R. ZEIGLER, District Superintendent.

WINSTON DISTRICT

To the Bishop and the Members of the North Carolina Conference:

Dear Bishop and Brethren:—The Lord has blessed me during this year with good health so that I have met my appointments, and through the mercies of God we meet to report the work of the year. I was appointed to this district by Bishop David H. Moore, one year ago. I entered upon the new field recognizing the great responsibility resting upon me. But with renewed consecration and implicit trust in God I determined to do my best. I found the district in a healthy condition, but remembering that progress is a law of God's universe and that the kingdom of God is to be advanced by conquest, we have endeavored to go forward and conquer the world for Christ. We view with pride and admiration the work accomplished through the heroic efforts of pastors and people in the charges of the district, and return our sincere thanks to Almighty God for the gracious providence which brought us success. This district has twenty-one appointments, five of which are missionary points.

REVIVALS

Nearly every charge has been blessed with great revivals. A great number has been converted and brought into the church. The churches have been quickened to spiritual activity. The fire is still burning and the people giving God the praise for His goodness.

EDUCATION

I have urged the pastors to preach on education to canvass their charges and endeavor to stimulate an interest in the education of our youth by distributing catalogues and circulars of our institutions. I have lectured to our young people as follows: Three colleges, five academies, ten graded schools, twenty district schools and lectured twenty-five times on education in our churches. I have urged that the young men and women of our Methodist families be sent to our church schools. We are expecting a large number to enter Bennett College this fall.

SUNDAY SCHOOL AND EPWORTH LEAGUE

We have on this district 50 Sunday schools, 350 officers and teachers, 2350 scholars of all grades. Most of the schools run all the year. Some stop in the winter. We use the wholesome literature coming from our publishing house. We have 20 Epworth League Chapters, 285 active members, 125 associate members. We are expecting great success in our league work.

TEMPERANCE

We have spent much of our time in preaching and lecturing on temperance. We will continue to wage war against intemperance until our church and land are free from the curse.

BENEVOLENCE

I have urged in all the charges the need of collecting every dollar apportioned to the district.

I take not the glory to myself for the success which has attended the labors in this district during the year, but I give due credit to the noble pastors who have labored with me and made this success possible. The brethren who have labored with me in this district are to be commended for their efforts; but for them there could have been no advancement made. I now close my report feeling I have used every effort possible in discharging the duties assigned me as District Superintendent. I have the full assurance of the approval of my conscience in submitting to you this report and further wait your orders.

M. M. JONES, District Superintendent.

REPORTS OF STANDING COMMITTEES

EPWORTH LEAGUE

The Epworth League of the Methodist Episcopal Church was never so successful as today. Its coming to its majority of twenty-one years has also witnessed its arrival at self-support. The appointment of a Secretary for India, and another for Mexico, together with the work being done by our Secretaries at home, is all an evidence of great growth and prosperity.

We rejoice that the increase of our report last year over the year before indicates increased interest in the work of our Conference, therefore

Be it Resolved, That we take more and more interest in League work, in the organization of the Junior League, that we order literature, get the League Song book entitled "Epworth Praises", raise our League apportionments and remember that we build Methodism of the future only as we train our youth.

N. D. SHAMBORGUER,
W. M. CRAWFORD,
B. F. THOMAS,
Committee.

BOARD OF SUNDAY SCHOOLS

Your Committee begs leave to report that it realizes in the Sunday School work the greatest opportunity for advancing the Redeemer's Kingdom in our church economy. We recommend that we use our best endeavors to grade our Sunday Schools according to the methods given to us by the Sunday School Board, and that new schools be planted in every available place, and that the splendid literature furnished by our department of publications be used exclusively in our Sunday Schools since it is the best published anywhere, and it is our own. That we pledge to Dr. C. C. Jacobs, our Field Secretary, our heartiest support in the work he is so faithfully and efficiently performing as the representative of the Board; and that we do our full duty in trying to raise for the Board our full apportionment.

J. W. DAVIS,
A. G. JENKINS,
G. W. BROWER,
Committee.

SABBATH OBSERVANCE

With the rapid increase of population and activity of business in the South and with the urgent demands that arise therefrom, we are tempted to rob ourselves of those blessings and privileges

which are promised to us by the command, "Remember the Sabbath Day to keep it holy." The lack of men in the ordinary congregation tells the story of a mighty conflict between the church of Christ and the world, and to the church is given the great task of impressing upon the people—yea, of teaching them the great importance of keeping the Sabbath holy. Our churches are being seriously hindered in doing their best work for the reason that our people are losing that proper reverence for the Christian Sabbath. Therefore, we, your Committee on Sabbath Observance, desire to make the following recommendations:

That we heartily co-operate with the officers and civil authorities in enforcing the Sabbath laws in our respective communities.

That we set apart a particular Sunday this Conference year on which each pastor shall preach a sermon on Sabbath Observance.

That we discourage as much as possible the Sunday excursions and Sunday picnics.

Respectfully,
R. P. HAIRSTON,
J. A. LAUGHLIN,
J. C. ROBBINS,
Committee.

REPORT OF COMMITTEE ON FREEDMEN'S AID

Your Committee on Freedmen's Aid most respectfully reports:

1. The last annual report of this society shows that our people in the South are crowding our twenty-three schools and colleges to such an extent that increased buildings and equipment are sorely needed by our institutions. The number of colored young people anxious for industrial and professional training is vastly greater than our accommodations can supply. These people are rapidly realizing that the training of the hand and the head constitute the principal means of uplift in this age, and are making every sacrifice that such training shall be attained. Our schools constitute the only means by which Christian ministers, teachers, doctors and other leaders shall be prepared for the 350,000 colored members in our own church, and to a large extent for the ten millions of black people in the United States. They gave for their own schools last year $28,830.32.

2. For the moral and religious training of the colored people our schools are indispensable. The Christian teacher is more than a mere instructor in trades and industries. He is the director and example of the moral and religious life of the young people. No young man or woman can be in one of our schools for any length of time without receiving more or less of the great Christian impress necessary to the development of moral manhood and

womanhood. In order to do our share towards the moral and spiritual uplift of this race, we must give them the Christian teacher.

3. The place of the Christian physician is most important in the uplift of a race. Our two schools, Meharry Medical College at Nashville, Tenn., and Flint Medical College at New Orleans, La., are doing heroic work in supplying this need. They must have greater facilities in order to meet the growing demands of modern medical training. Special help is needed for a hospital at each of these schools. Here is a rare opportunity for one or more generous givers to erect a monument and make possible the better training of the men and women who minister to the sick and suffering. Fifty thousand dollars are needed at once for a hospital at each one of these schools.

4. The Board asks the whole Church for $250,000, or one-fifth of the apportionment for Home Missions and Church Extension. Of this amount the North Carolina Conference is apportioned $1,200. We hereby pledge ourselves to present this cause at least once during the year to our congregation, and give our people an opportunity to contribute towards this most needful work. Lincoln Sunday has come to be one of the institutions of the church. It offers the best opportunity during the year for presenting the cause of the freedmen to our congregations. If it be inconvenient to do so at any other time during the year we can at least present the cause on this Sunday and take the offering. The amount of our collection for the Freedmen's Aid cause this year is..... our collection for the Freedman's Aid cause this year is $576.00. This is a decrease of $117.00.

J. H. LOVELL,
S. A. PEELER,
J. W. SIMPSON,
Committee.

TEMPERANCE

Whereas, Intemperance is a great foe to the Church and if unrestrained will destroy the home, the community and the church, therefore

Be it Resolved, That we, as ministers and members of the North Carolina Conference, lend our hearty support to the great temperance movements until King Alcohol shall be dethroned and the King of Glory enthroned in all our land and country, even in the hearts of the people.

P. J. COOK,
J. C. PRINCE,
M. J. BULLOCK,

EDUCATION

Under the blessings of God the Methodist Episcopal Church was born in Oxford University, and from the early days of her history she has filled a unique place in the world as a mother of institutions of learning. And in this connection we would direct your attention to a few of these noble institutions surrounding us, namely: Bennett College and Kent Home, Greensboro, N. C.; Allen Home, Asheville, N. C.; Gammon Theological Seminary, Atlanta, Ga.; Drew Theological Seminary, Madison, N. J.; and Boston School of Theology, Boston, Mass.

In reading this report on Education we would have you note three "Headings of our Educational Interests". 1. The Children's Day Fund, the collections for which to be taken on the second Sunday in June. This collection is for "Students Aid", and should be sent to Secretary of the Board of Education in New York City. 2. The collection taken in our church congregations is in addition to the Conference or public educational collection. This also should be sent to New York. 3. The Conference Educational collection, taken at such a time as the Conference may direct. This is for the denominational schools and should be sent to the President of the school designated by the Conference, or reported to the Conference Treasurer in the column of "Local Education".

R. J. SHIPP,
S. J. HAYDEN,
Committee.

CONFERENCE CLAIMANTS

Your Committe on Conference Claimants begs leave to submit that it recognizes in the provisions, made by the late General Conference, looking towards a better support for the superannuated ministers and the widows and orphans of deceased ministers, a long felt need. We recommend that each pastor observe Veteran's Day at the time suggested by the Board of Conference Claimants, or at some other convenient time; and that we use all other worthy means to raise the full apportionment for this very urgent cause.

A. G. JENKINS,
J. W. DAVIS,
Committee.

AMERICAN BIBLE SOCIETY

We, your Committee, recognize the fact that the American Bible Society is one of the great agencies in spreading the word of God. And that our good Dr. Wragg, the Society's most excellent agent and representative, is doing so much to make the work a success, therefore

Be it Resolved, That we the preachers of the North Carolina Conference, stand by him in his efforts by faithfully presenting the cause to our people.

To Any Minister

For months we have been telling the ministers of the United States—**yes, of the entire world**—through the columns of the various religious publications of the entire country, about the new Fox Visible Typewriter, **and of our special offer to ministers.** Replies from these advertisements have been received from every corner of this country—and from a large number of foreign countries—and hundreds upon hundreds of ministers have taken advantage of our Mr. W. R. Fox's most unusual—and exceedingly liberal—proposition, and have become the possessors of the new Fox Visible Typewriters.

If there is one typewriter more than another **that a minister should not buy,** it is one of the cheap "rebuilt to sell" typewriters that are being advertised at from $15 to $50. Beware of the "Syndicates" and "Sales Co.'s"—they do not manufacture but deal in second hand and rebuilt typewriters—**old models that the manufacturers can not sell.** There is only one typewriter that should be considered by any minister, and that is **THE BEST.** Your work entitles you to this, and, furthermore, the best is always the cheapest in the end.

Will You Let Mr. Fox Help You Buy a Typewriter?

As a minister, and a business man, we appeal to you not to purchase any typewriter, at any price, nor from anyone, no matter how flattering the proposition may seem to you, until you have given us an opportunity to send you for inspection and trial a new Fox Visible Typewriter. This we will do at our own expense—**will not even ask you to pay the express charges**—and you will not be under the slightest obligation to purchase our typewriter after trial **unless you wish to do so.**

After trial if you wish to purchase our typewriter—**on Mr. Fox's special proposition**—you can pay us a little down and the balance at the rate of **20 cents a day**—no payments to be made on Sundays or Holidays.

WILL YOU DO THIS? We feel that this is **"your ——— chance of a lifetime"**—it may be your **one** and **only** chance. Will you let us help you to come to such a wise decision that there will be no after regret—no financial loss—on your part? If so, fill out the following coupon and mail it today—**do it now before you forget it.** Address our Mr. W. R. Fox personally.

DEAR SIR:

Please send me a copy of your catalog and write me your special offer to ministers on the new Fox Visible Typewriter.
